

A person wearing a dark suit jacket and a light-colored shirt is holding a large portfolio or book. The portfolio is open, showing various fabric samples with different patterns and colors. The background is a plain, light-colored wall.

Step 1: Preliminary Ideas

- Gather a scrapbook of notes, photos, and articles with ideas or designs that interest you.
- Get input and wish lists from your family.
- Establish a budget.
- Draw a rough sketch of your ideal floor plan or get the floor plan from your architect.
- Fill out the Kitchen Planning Questionnaire.
- Make an appointment to visit our showroom.

A kitchen showroom featuring dark wood cabinetry, a granite countertop, and a tiled backsplash. A central island with a granite countertop and wooden base is visible. The room is well-lit with pendant lights and a window in the background.

Step 2: Visit Our Showroom

When you visit the showroom, we will . . .

- Answer any questions you may have.
- Review your budget or assist you with establishing a budget.
- Discuss ideas and floor plans.
- Show you our cabinet lines and color options.

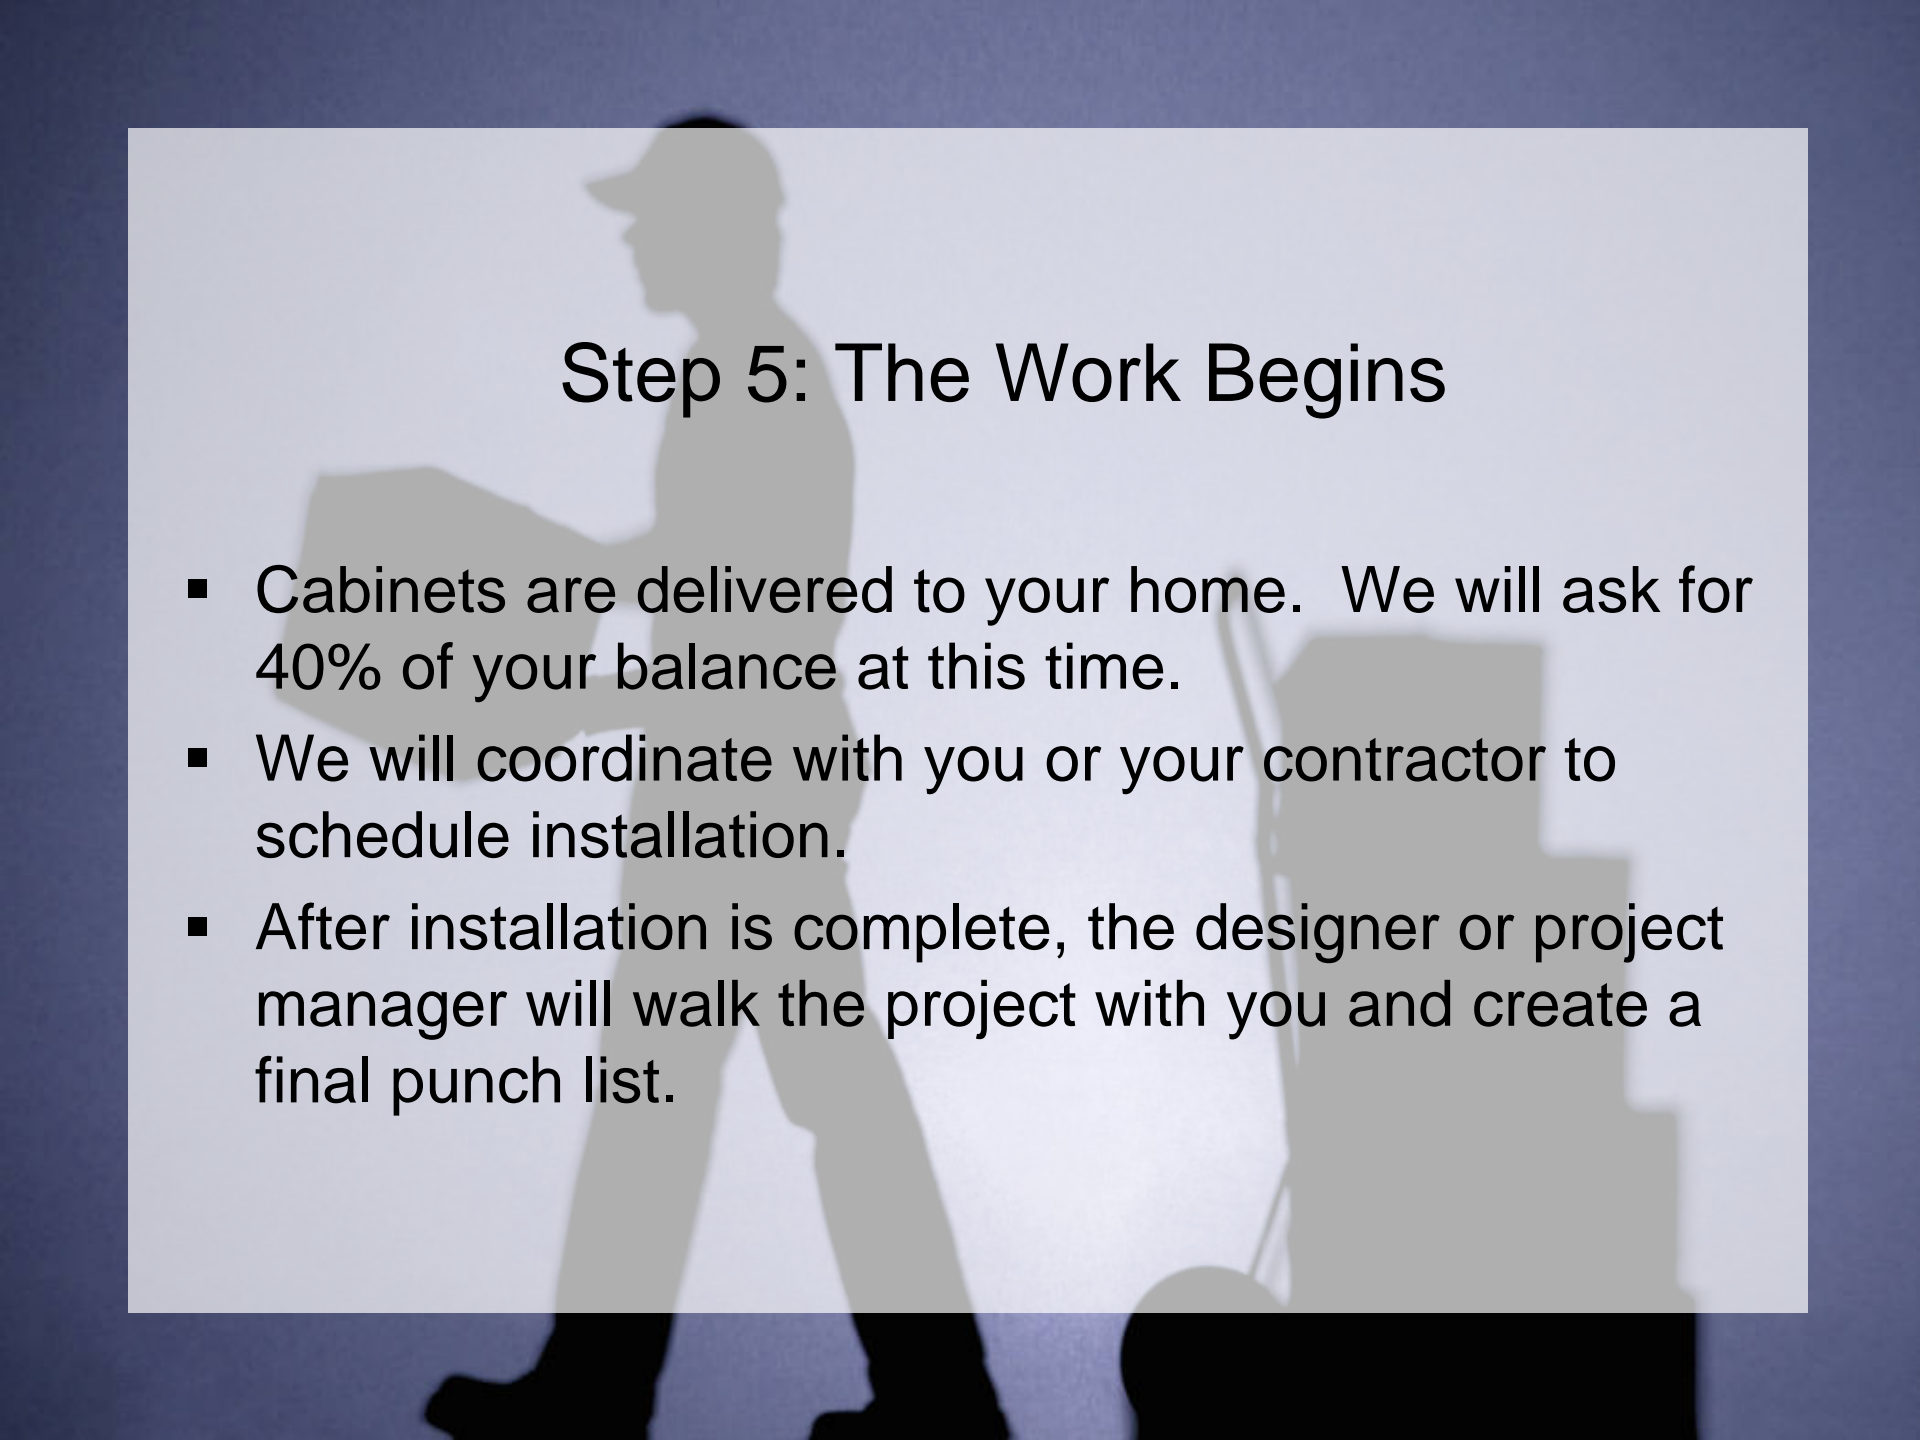

Step 3: If You Like What You See, We Will . . .

- Come to your home and take measurements.
- Create an initial design concept and floor plan.
- Establish an estimate.
- Set up a meeting to discuss the design and pricing
- Ask for a retainer fee which will allow us to spend valuable time developing your project.

A construction worker wearing a yellow hard hat and a grey button-down shirt is holding a large roll of white material. He is looking directly at the camera with a slight smile. The background is a plain, light-colored wall with vertical metal studs.

Step 4: The Rest Is Up To Us

- We will prepare a contract and ask for a 50% deposit.
- Materials will be ordered.
- Your project will be scheduled and installed as soon as the cabinetry and other products have arrived.

The background of the slide features silhouettes of construction workers. One worker in the foreground is wearing a hard hat and carrying a large box. Another worker is visible in the background, pushing a wheelbarrow. The scene is set against a light, hazy background, suggesting an outdoor construction site.

Step 5: The Work Begins

- Cabinets are delivered to your home. We will ask for 40% of your balance at this time.
- We will coordinate with you or your contractor to schedule installation.
- After installation is complete, the designer or project manager will walk the project with you and create a final punch list.

A woman in a denim shirt is cooking in a kitchen, stirring a pot on the stove. In the background, a man and a child are sitting at a table eating. The scene is bright and cheerful, suggesting a completed and functional living space.

Step 6: Completion

- Finishing touches are completed.
- All construction materials and equipment have been removed.
- Your designer or project manager will conduct a final inspection of your completed room.
- A final billing will be mailed to you.
- Start enjoying your new room!
